**Financial Items**

The below is a resolution to send to the county to say we will not spend over these amounts. This was based on the August 30, 2022 budget hearing. American Rescue Money was not there at the time so it was added. Some FEMA money will be paid in 2022. Opioid money was also not listed. This will go to Kristen and we will ask for acknowledgment of the added items. Fiscal Officer has what was presented to the county and she would use that as the temporary appropriations. Still needs tweaked a little bit. Some things are not on it and some things need added.
