

### **Zoning Commission Board Position**

The Chester Township Board of Trustees is accepting letters of interest from community-minded residents willing to serve a **two-year** term as an alternate member of the Chester Township Zoning Commission.

The Zoning Commission constantly reviews the existing Zoning Resolution in Chesterland, and receives input from all sources, from within the township, from the County, beyond the County, and land use seminars. They study and research the input before making recommendations on possible changes and modifications to the Resolution to the Township Trustees. In addition, the Zoning Commission collects data and keeps itself informed as to the best practices generally in effect in township zoning

Applicants need to be residents of Chester Township and at least 21 years of age. This position is considered voluntary, but a small stipend is offered, per each meeting attended. Persons with knowledge and expertise in areas such as building contractors, urban planning, real estate, architecture, law, and environmental science are ideally suited to the Zoning Commission.

The Zoning Commission meets the first and third Wednesday of each month. Meetings are open to the public. For more information on this Commission, please visit [Zoning Commission | Chester Township](#)
